Celebrating 25 Years of the Best in Women's Duckpin Bowling

Eligibility

The WNDAs are open to all female bowlers sanctioned by the National Duckpin Bowling Congress (hereinafter referred to as the "NDBC") who have a minimum average of 110, and have completed the membership application. If a bowler wishes to join the WNDAs and her average is below 110, she will enter with the minimum average of 110.

A bowler's entrance average, which is used for any qualifying and/or monetary awards, will be calculated by: 1.) The bowler's WNDAs tour average from the previous year for three or more tours (2007 tour); 2.) if no WNDAs tour average from the previous year, the bowler's WNDAs tour average from two years prior for three or more tours (2006 tour); or, (3) if no WNDAs tour average from the previous two years, the bowler's composite book average (45 games or more) from their local area for the prior year or their composite sanctioned league average as of April 15th of the tour year in which they are entering, whichever is greater. Bowlers with no WNDAs tour average from the previous two years must furnish the league average sheet(s) as of April 15th of the year entering the tour for the purpose of average verification. Bowlers participating in more than one sanctioned league must use a composite league average and furnish a league average sheet as of April 15th from each league in which they participated. Bowlers must have bowled 45 games or more in each league. Bowlers with no book average from the prior two years and no current sanctioned league average will not be eligible to advance to Sunday match play in the pins-over-average category or for minor awards in their first year of membership.

Bowlers with no WNDAs tour average for the past two years must complete the chart below. Should you have any questions, please contact the WNDAs Statistician at 410.848.4735 or via e-mail at wndastats1@verizon.net.
